INTRODUCTION

Just a brief note to say how much we all appreciate your skill putting things together in a changing situation. We would particularly like to mention our tour guide, who was superb... and of course the driver who was magnificent over the whole tour.

Tours International has been working with the British Airborne since 1982 and has proudly brought many Airborne veterans, their families and World War II enthusiasts back to the towns, villages and countryside where the Airborne landed. We have over 40 years' experience in the travel industry and an extensive military tour background, with unique expertise in anniversary and commemorative tours. Our wide experience of battlefields and World War II guarantees a truly amazing and imaginative insight and our detailed knowledge of the British Airborne landing sites and campaigns promises an exceptionally memorable tour. If you have any special requests or would like to make any extra visits, please let us know and we will do our best to arrange these for you.
